

UNIVERSITY OF MANITOBA ENGINEERS' ALUMNI ASSOCIATION

ROOM 110, ADMINISTRATION BUILDING
UNIVERSITY OF MANITOBA
WINNIPEG, CANADA

October 18, 1965

Dear Fellow-graduate:

For many years, our Association has held an annual dinner between Christmas and New Year's. In 1959, we began to mark the anniversaries of engineering classes which had graduated 10, 20, 30 and 40 years ago, at the annual dinner.

This idea has had a pretty favorable response; and so, in December of this year, we shall be paying our respects to the classes of 1955, 1945, 1935 and 1925. I have been given the honor of representing our class on this occasion. I sincerely hope you will be able to get to the dinner and meet some of the old gang. Why not start planning now? This event will take place Wednesday, December 29th, 1965, in the St. Charles Hotel Grill Room.

Another part of the project assigned to me as class representative is to gather biographical data about all you guys. This information will not be used to your detriment, you understand! It will be compiled and circulated to all of you in our class. You will thus have a reasonably up-to-date story on where the boys are, their jobs, families, etc. All of us class representatives and the Association council hope this information will lead to renewed correspondence, visits and even class reunions.

The typical citizen does not enjoy letter-writing. To make your part of the chore easier, I have attached a copy of that necessarily impersonal document - a questionnaire. Please take a minute or two to fill it in. If you do like writing, by all means please tell us more on a separate sheet. For your further convenience, we have enclosed a self-addressed stamped envelope.

Finally, I have enclosed the latest list of graduates of our class with known addresses. If you can furnish missing addresses or correct those in error, we'll sure appreciate your help.

You'll note the delicate hint about the annual fee. This "dough" helps us to provide these services.

Hoping to hear from you by October 30th, I remain, with sincere regards,

Yours very truly,

Class Representative,
Class of 1955
